

A Good Ending – Good for All

Bergen – Norway 6-7 November 2019

Radisson Blu Royal Hotel, Bryggen

We are delighted to announce the 6th Annual Research Conference of the International Collaborative for Best Care for the Dying Person "A Good Ending - Good for All".

This will incorporate the final conference of the ERANet-LAC CODE project: "International Care Of the Dying Evaluation (CODE): quality of care for cancer patients as perceived by bereaved relatives". The conference will include seminars, workshops, oral and poster presentations based on submitted abstracts, and covering a wide range of topics linked to care of the dying and societal engagement with death and dying.

The conference is hosted by the University of Bergen in collaboration with the Regional Centre of Excellence for Palliative Care, Western Norway and the International Collaborative for Best Care for the Dying Person.

Note early bird conference fee and abstract submission within June 20th!
